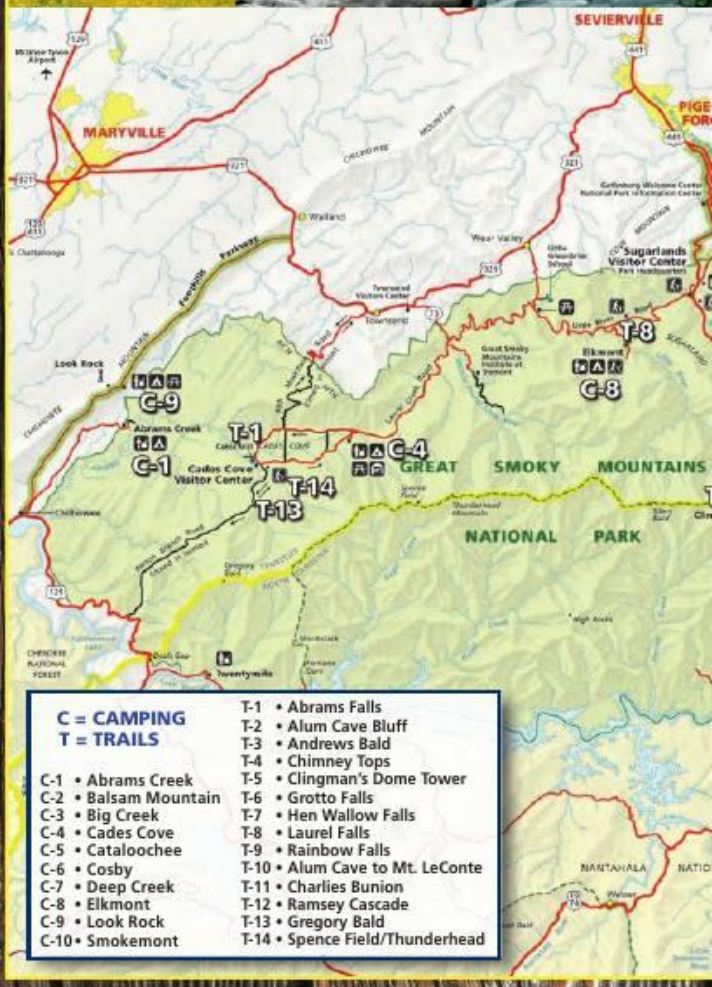
Great Smoky Moun



Camping

The park offers several different types of campsites:

- **BACKCOUNTRY** - for backpackers. Requires hiking several miles to a site located in the park's backcountry.
- **FRONTCOUNTRY** - camping near your car in a developed campground that has restrooms with cold running water and flush toilets. Each individual campsite has a fire grate and picnic table.
- **GROUP CAMPGROUNDS** - large campsites suitable for groups of eight people or more. Located in frontcountry campgrounds.
- **HORSE CAMPS** - Small campgrounds, accessible by vehicle, that offer hitch racks for horses and primitive camping facilities.

tains National Park

Hiking Trails

Hikers enjoy the Smoky Mountains during all months of the year with every season offering is own special rewards. During winter, the absence of deciduous leaves opens new vistas along trails and reveals stone walls, chimneys, foundations, and other reminders of past residents. Spring provides a weekly parade of wildflowers and flowering trees. In summer, walkers can seek out cool retreats among the spruce-fir forests and balds or follow splashy mountain streams to roaring falls and cascades. Autumn hikers have crisp, dry air to sharpen their senses and a varied palette of fall colors to enjoy.
